2. The side of the box marked "Viewing side" faces the projector.
3. The mounting brackets for the HideAway box are secured at both ends for easy installation.
4. Hang the HideAway so that the Aluminium Trim is flush with the underside of the ceiling.
5. When you have secured the HideAway box in the ceiling, open the access panel and hang your LP Morgan Rondo Screen on the brackets supplied inside. (For A, B & C sizes only).
6. Follow the instructions supplied with your screen for the correct wiring diagram. Standard motorised screens will require an electrician to complete the installation.
7. Test that the screen operates correctly, and set the limits, if required. Follow the instructions supplied with your screen to do this.
8. Screen should always retract to the Upper Limit previously set by the Factory as the default position. The Fabric should not be exposed when in the closed position

Cleaning and Maintenance:

1. The HideAway fascia can be cleaned with a mild detergent, water and a soft cloth to wash off any marks, Rinse and dry with a clean cloth or towel.
2. Refer to your LP Morgan Rondo Instructions for details on cleaning your screen surface.

Warranty Information:
